Subject: Manston airport

Message Body:

Dear Mr Champps. I am very upset that Roger Gale keeps persisting with the opening of Manston Airport. Can't understand why he is so persistent. Herne Bay and Ramsgate rely on tourists. They don't have much else. I live in Herne Bay and I am sitting out this evening enjoying the piece and quiet.

I don't understand his stance. I went to a meeting about this and a Rep from Stansted Airport said that Manston would be taking work away from them as they had more than enough capacity for freight. Why then should you sanction this airport at the end of the south east of England to think that it is worth interrupting so many lives and health.
