**Subject:** RSP response - MOST URGENT.

**Good morning Andrew,**

**The attached letter arises from the FOI requests that I lodged and that were answered recently by DfT. The RSP letter has, of course, been sent properly to the Department but the issues raised are so serious that I believe that it is important and proper that I seek to ensure that you have personal sight of this immediately – which is why I am taking the liberty of intruding upon your parliamentary email address.**

**It appears to my unpracticed eye that the terms of reference upon which the deeply flawed Arup report was based, drafted presumably by officials within your Department, were themselves flawed .**

**I would hope and expect that the issues raised in the RSP letter can be addressed thoroughly and in short order so that a positive decision can be taken before the end of this year. Time is now of the essence and in the interests of UK limited there is a very great deal at stake.**

**With best wishes**

**Roger**
