Dear Grant... Further to ongoing exchanges with the RSP team and the Save Manston Airport membership, the frustration level has reached a boiling point with no direction provided by the DOT/Gov. Please kindly direct your team accordingly. Thank you for your continued input. Best.

Good morning Grant from California. If I may, please ask for your assistance.

On communicating with the RSP team yesterday, who is managing the Manston Global airport redevelopment, the legal team was expecting an update this past week from your department. However, this did not occur.

I would be most grateful if you would kindly step in.

Thank you for your reply and direction.

Best,

Tracey
