Subject: Manston airport

Dear Grant Shapps.

I don't understand how you can convince voters that Manston Airport is a viable airport in the very south east. I have read that airports in the the Midlands, Stanstead, Gatwick and Heathrow have plenty of capacity for cargo. I have read that many, many jobs In Thanet cannot be filled. So why does Sir Roger thinks many jobs for the airport will be a game changer for Thanet. People of Thanet, Herne Bay and all the villages in between do not want old polluting cargo planes from countries that do not have the money to send energy efficient planes over our heads, which may lead to disaster crashes.

Thank you for listening.

Gill Archer
