Dear Grant Shapps

I live in Thanet. Prior to the land around the helipad being sold there was a plan for a sustainable village on the site, serviced with a GP surgery and Primary school. This was to be placed adjacent to a new business park.

The current plans to build an airport at Manston are a very bad idea. Toxicity of the land, noise pollution, lack of returns being some reasons.

I ask that you take my views into account as public consultation on this issue does not close until 3.12.21.

Turning the area around Manston into an airport is a very bad idea
