---

Dear Phoebe

Thank you for your email on 7th July, regarding adequacy of consultation for the Gatwick Airport Northern Runway project.

I realise we have missed the deadline by a few days, but, on behalf of the Kingston Council I confirm that, to the best of our knowledge, Gatwick Airport Ltd have complied with their duties to consult with the borough under Sections 42, 47 and 48 of the Planning Act 2008, and that we have no associated representations to make at this time.

We look forward to receiving further details on the application in due course.

Kind regards

Hannah
