Subject: Use of emergency runway
Date: 09 August 2023 22:46:58

Good evening,

I am writing to put my objection to the emergency runway being used as a matter of course at Gatwick. Please can you explain why there are planes flying low over my house in [REDACTED], when using this runway and new course hasn't been approved yet. ? I object most strongly as the low level of the planes and noise is unacceptable. There has been no consultation or discussion with residents about flying low large jet aircraft over the town.

Please respond asap

Debbie Young
