To whom it may concern,

The planning inspectorate weblink to register as an interested party does not appear to be functioning with a note to say that registration is now closed despite it not being due to close until 23 59hrs tonight on 29.10.23.

I would like to submit my registration details as follows with the submission of this email at 12.06hrs on 29.10.23:

Mr Euan Stevenson

[REDACTED]

For the record, I am strongly opposed to the plans for the second runway at Gatwick airport. I would be grateful for a confirmation email of my submission acknowledging my registration within the time period allowed.

Many thanks and kind regards,

Euan Stevenson
