Subject: Objection to extending London Gatwick's operations.

Dear Sir/Madam,

I am writing to express my concern on the proposed plans to extend operations at London Gatwick Airport.

I understand the PINS portal is not active at present, hence my email submission.

I object to the proposal on the following grounds

- Increase in air pollution caused by extra flights
- Increase in noise pollution caused by extra flights
- There is not a compelling case for extra capacity at Gatwick
- Significant disruption that will be caused

Kind Regards

Gary Bennett
