- 2. Purpose of the Open Floor Hearing**
- 3. Confirmation of those who have notified the ExA of a wish to be heard at the Open Floor Hearing and the order in which parties will be heard**
- 4. Representations by Interested Parties and others**

Each IP who has indicated a wish to speak will be invited in turn by the ExA to speak. Following each submission, the ExA may wish to ask the speaker questions.

Speakers will be heard in the order shown under the List of Speakers in **Annex B** and will be allocated the following maximum speaking times:

- 3 minutes for individual IPs, including businesses.

- 5 minutes for membership organisations.
- 8 minutes for elected Councils/ officials.

Persons without Interested Party status, as defined by section 102 of the Planning Act 2008, are referred to as Non-Interested Parties (Non-IP); however this is not intended to suggest a lack of interest in the application. Any Non-IPs that are being heard at the discretion of the ExA are included in the List of Speakers in **Annex B**. The same maximum speaking times and procedure will apply as for IPs.

The ExA may ask questions of IPs, Non-IPs and the Applicant about matters arising from written and oral submissions. If they do so during a timed oral submission, the time taken by the ExA will not count against the speaking time.

Those who have not previously registered to participate in this Hearing, and have not been allocated a slot in the speaking list at **Annex B**, are unlikely to be able to speak on the day due to the number of registered participants. Any request to participate in a future OFH should be made by Deadline 1, Tuesday 12 March 2024.

## **5. Responses by the Applicant**

The Applicant will be invited to respond to matters raised and to questions arising from the ExA either orally after all IPs and Non-IPs have spoken, or in writing by Deadline 1 on Tuesday 12 March 2024.

## **6. Close of the Open Floor Hearing**

## Participation, conduct and management of Open Floor Hearings

Open Floor Hearings (OFH) are hearings where Interested Parties (IP) who are individuals, groups and organisations have the opportunity to raise any matters that they consider are important and relevant to the consideration of the application.

Submissions should be based on your previous representations made in writing. The Examining Authority (ExA) has read all of these, and representations made at the OFHs do not need to repeat these, but should provide further detail, explanation or evidence to help inform the ExA.

To allow everyone to have a fair opportunity to be heard, the time limits shown on the agenda will be strictly applied. The ExA will hear from all IPs who have pre-registered to speak at the OFHs. If on the day there are individuals who are not registered but who wish to make submissions at one of the OFHs, the ExA will use its discretion to hear these should time permit (please see further information about this below).

Once you have spoken at one OFH you do not have the right to speak again at another. It is important therefore that you use the allotted time well to communicate your message to the ExA.

Speakers have been given either a virtual or physical (in-person) slot, based on the information provided during the registration process. This information is confirmed in the List of Speakers in **Annex B**. Please contact the Case Team as soon as possible using the contact details below if you wish to attend via a different method, or if you are no longer able to attend. For speakers who have stated they are able to participate both virtually and physically, we would be grateful if you could confirm to the Case Team prior to the event your chosen method of attendance.

It would also assist the ExA if written summaries of anything that you say are submitted by **Deadline 1 (Tuesday 12 March 2024)**.

People who have land or rights affected by Compulsory Acquisition or Temporary Possession are Affected Persons and have a right to be heard at a Compulsory Acquisition Hearing (CAH). If you are an Affected Person wishing to speak about your land or rights then a CAH will be the best forum to raise any such issues.

The ExA has asked the Applicant to attend this Hearing. The Applicant may be asked by the ExA to address questions raised by IPs in summary form at the end of the Hearing and in written submissions. It is not the purpose of these hearings to enable the Applicant to make its case. Any Applicant responses to specific IPs' oral cases will be made in writing unless invited to respond by the ExA.

The event will be livestreamed and a link for watching the livestream will be posted on the [project webpage of the National Infrastructure Planning website](#) closer to the event date. IPs and members of the public who wish to observe the Hearing can view and listen to the Hearing using the livestream, or view and listen to the recording, after it has concluded.

## Requests to be heard

Anyone wishing to speak at one of the OFHs on Wednesday 28 February 2024 who has not already requested to speak should do so as soon as possible by contacting the Case Team:

Email: [GatwickAirport@planninginspectorate.gov.uk](mailto:GatwickAirport@planninginspectorate.gov.uk)

Telephone: 0303 444 5000

Please note the event is capacity and time limited. If your request cannot be accommodated, then further OFHs may need to be arranged for later in the Examination.

## Event registration process

Parties who have registered to speak at either OFH will receive a Joining Instruction email shortly before the Hearing which will include a link to the virtual event on Microsoft Teams, and a telephone number should they need to participate by telephone. The Joining Instruction email will be sent to all registered parties, including those due to appear in person.

If you are attending virtually, please join at the virtual registration start time set out in the relevant agenda to ensure that the registration process is completed in good time. If necessary, it will be possible to leave the Microsoft Teams meeting after the initial registration process, however please ensure that you re-join at least 15 minutes before the anticipated start time of the session you are due to speak at.

If you are attending in person, you should ensure that you arrive at the venue at least 15 minutes before the anticipated start time of the session you are due to speak at.
