

I wish to complain about the proposed extension of the current runway to Gatwick airport on the grounds of

1- noise and air pollution

2- disruption to the already overloaded public roads and services in our green belt area

3- Excessive traffic and lack of legitimate parking

4- Unnecessary increase in flights when there is no need which would cause more unnecessary pollution

5- Concerns for wildlife in the area

6- The welfare and well-being of local people who live within the area, which would include increase in road traffic, air traffic, noise pollution, air pollution, damage to the infrastructure of our green belt.
