Submitted via PINS project webpage

26 March 2024

Dear Sir/Madam,

**Unique Reference Number: 20044739**

**Re: Horsham District Council's Deadline 2 Submissions to Gatwick Airport Northern Runway Examination (PINS Ref: TR020005)**

Further to the Examining Authority's ("ExA") Rule 8 letter on 8 March 2023, Horsham District Council ("the Council") would like to draw your attention to several submissions being made both directly, and on its behalf, at Deadline 2.

Principle Areas of Disagreement Summary Statement ("PADSS")

Accompanying this letter is an updated PADSS – one tracked change and one clean version - which the Council considers to be an accurate summary of the current main areas of disagreement between the Council and Gatwick Airport Limited ("the Applicant").

Comment on the Applicant's Deadline 1 Submissions

The Council has read and noted the Applicant's covering letter addressed to the ExA dated 12 March 2024, and welcomes the Applicant's submission of additional information in response to representations made by Interested Parties and to issues raised in Open Floor Hearings 1-2 and Issue Specific Hearings 1-5.

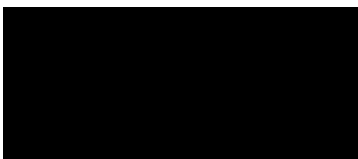

Further comment on Deadline 1 submissions has been provided in the West Sussex Joint Deadline 2 submission submitted on the Council's behalf by Crawley Borough Council. This document also includes the Council's comments on the Applicant's draft Unaccompanied Site Inspection itinerary, Schedule of Changes to the draft DCO and Statement of Commonality.

Comment on Post-Hearing Submissions

The Council has provided comment on the Applicant's Deadline 1 post-hearing submissions in the form of a joint document prepared by the legal partnership authorities. This has been submitted on the Council's behalf by West Sussex County Council.

Should you have any queries please contact, in the first instance, Julia Hayes by email [██████████@horsham.gov.uk](mailto:██████████@horsham.gov.uk).

Yours sincerely
