Please find enclosed the following documents for submission at deadline 2:

- PADSS (track change and clean version)
- Comments on Accounting for Covid-19 in Transport Modelling [AS-121]
- Legal Partnership comments on Schedule of Changes to dDCO (submitted on behalf of the Surrey Legal Partnership Authorities)

SCC intended to submit a paper exploring the premise of an environmentally managed growth approach for Gatwick from a surface access context at deadline 2, however this is still being worked on so will be submitted at a future deadline.

Yours sincerely
