[REDACTED]

Dear Sirs,

Re the above letter about Gatwick Northern Runway project, you say that you have no email address for me. So in future :

[REDACTED]

My reference number is : GATW-S573831

Just for the record, I live in [REDACTED] quite near the current flight path, and am TOTALLY opposed to any Gatwick expansion, both on grounds of noise and also of environmental pollution.

Thank you,

Yours faithfully  
Susan Bracher (Mrs)
