You don't often get email from [REDACTED] [Learn why this is important](#)

To whom it may concern

My husband and I have previously submitted an email objecting to the expansion of Gatwick airport.

Please note we are still opposed to the expansion. We are presently sitting outside in our garden and in the past 5 minutes we have had 6 planes in the vicinity, 1 so close and loud that we couldn't hear each other.

We are of the opinion that the use of the emergency runway is an excuse to build another runway. We are all trying to cut back emissions on the ground surely this should also be happening in the air.

Kind regards
Cheryl Stone
