You don't often get email from [REDACTED] [Learn why this is important](#)

You have written to me because you say you have not got my email. You have now.

Please register my strongest opposition to proposed expansion, no doubt none of the directors have to be bothered by aircraft flying overhead the way residents under the flight path do in Dormansland. Forty or fifty years ago this village was a peaceful place to live, by creeping expansion it is getting to the point where it no longer is. When I spoke to somebody at Gatwick about aircraft flying overhead and the noise, I was told that I don't live under the flight path. Tell the airlines that starting with Emirates.
