

Comments on other information submitted at Deadline 3

AIPUT note the Applicant's Response to AIPUT's Deadline 2 submission detailed in 'The Applicant's Response to Deadline 2 Submissions (Document Ref. 10.17)'. The Applicant disagrees with many of AIPUT's views on the level of information submitted at this stage. AIPUT's views justified within their Deadline 2 Submission, on the insufficient level of information provided by GAL remains unchanged.

AIPUT note that the ExA requested more information from the Applicant on the Car Parking Strategy (CPS) and Indicative Construction Sequencing (ICS) in R17a.3 of their Rule 9 and 17 Letter dated 8 April 2024. The Applicant has responded in their Deadline 3 submission to inform the ExA that the requested information will be submitted at Deadline 4 (15 May 2024).

This submission does not benefit from this additional information and AIPUT has been prevented from commenting fully at this time. AIPUT intend to comment within their Deadline 5 (6 June 2024) submission.
