Subject: Gatwick Airport Northern Runway TRO20005 - IP Question

Dear Sirs
IP Ref No. 20046991

'Ref C.C.2.1 Finch v Surrey County Council

The Supreme Court has recently (20 June 2024) handed down judgment in the case of R (on the application of Finch on behalf of the Weald Action Group) (Appellant) v Surrey County Council and others

(Respondents). At ISH6: Climate Change the ExA noted that the Applicant had responded to comments

made by IPs relating to downstream emissions by reference to the Finch case in written submissions (see

[REP3-072]) [REP4-032].

Following the Supreme Court judgment, all parties are invited to comment on the relevance or otherwise of

this decision to the Applicant's DCO application'.

IP20046991 Question Ref C.C.2.1 :

Can you examine again 'Scope 3 emissions' and consider the present Environment Impact Assessment of the plan in the light of the Supreme Court judgement on consequential carbon emissions of the Applicants DCO application?

My thanks for your assistance
Christopher HARWOOD
