1 Introduction

- 1.1.1 This document provides the Applicant’s response to the actions arising from Issue Specific Hearing (ISH) 9: Case for the Proposed Development. The actions relevant to the Applicant are as follows:

Action No.	Action	Deadline
30	Continuation of information exchange on forecasting and need between the Applicant and JLAs.	Deadline 8

- 1.1.2 The below sections provide the Applicant’s response. For actions which require a more detailed response, a reference to the appropriate document is included.

2 Action Point 30

- 2.1.1 **The Examining Authority has asked the Applicant to progress the continuation of information exchange on forecasting and need between the Applicant and JLAs. The following response is provided.**
- 2.1.2 Following the Hearing GAL has been in contact with the JLAs and, in particular, has provided a document to York Aviation which seeks confirmation of GAL’s understanding of the component parts of their Future Baseline assessment. That document is with the JLAs for response.
- 2.1.3 A meeting is being organised to review other outstanding issues on forecasts and in relation to catalytic economic effects.
- 2.1.4 GAL will update the ExA comprehensively on these issues at Deadline 9.
