I strongly object to the proposal.

This is not Policy (SH1) This is a new runway and so does not comply with "Beyond the Horizons-Making Best Use Of Existing Runways"

I do not support the building of this new runway as the DCO has not addressed the following issues, due to Gatwick Airport "not accepting "any alternative viewpoint.eg

A Carbon Cap (ISH9)

Aircraft noise ((ISH9)

Air Pollution

There is also no adequate provision for local affordable housing and infrastructure to address an influx of workers, many of whom will be on minimum wages, to an area which already has a high level of employment
