Subject: Support for Gatwick

I represent Eastbourne Chamber of Commerce and the Alliance of Chambers in East Sussex.

I am writing to let you know that we support the Northern Runway expansion plan at Gatwick as this is so important for the economy of our County.

However, our support is subject to using more modern, quieter, more environmentally sustainable planes and specifically, to Gatwick introducing financial incentives for quieter, greener fleets.

Many thanks

Christina Ewbank

Chief Executive

Eastbourne chamber of commerce
