

12 January 2025

Dear Mr. Reed,

Gatwick expansion

I write to register an objection to the proposed expansion of Gatwick Airport to embrace to provide a second full use runway.

Clearly the noise levels are likely to become intolerable for local residents. No provision appears to have been made to insulate near-by homes, or for the Airport to compensate for the reduced value of homes in the area.

The Protected Landscapes provisions have not been addressed. And neither has the water neutrality or the waste requirement issues.

Transport is simply not adequate for any increase in passenger numbers, both with regard to train and road links.

I am sure I need not remind you of the Government's commitment to the environment. More pollution is not what is required.

Yours sincerely,

W.A.Stephens

The Rt. Hon. Steve Reed OBE MP
