Dear Sir/Madam

## **Planning Act 2008 (as amended)**

### **Application by Able Humber Ports Limited for an Order granting Development Consent for the Able Marine Energy Park**

On 24 September 2013, the Department for Transport allowed a further 3 weeks (until 16 October 2013) for the Applicant to respond to the Department's letter of 28 August 2013.

A copy of the Applicant's request for further time, which explains the reasons for the request, and a copy of the Department's reply may be found on the Able Marine Energy Park project page of the Planning Portal, in the DfT consultation folder: <http://infrastructure.planningportal.gov.uk/projects/yorkshire-and-the-humber/able-marine-energy-park/?ipcsection=dft>.

As indicated in the Department's letter of 28 August 2013, interested parties will have 28 days to comment on the Applicant's response to that letter. The Department has not altered the 18 December 2013 deadline for the decision.

Yours faithfully

*Mark Southgate*

**Mark Southgate**  
**Director of Major Applications and Plans**

Advice may be given about applying for an order granting development consent or making representations about an application (or a proposed application). This communication does not however constitute legal advice upon which you can rely and you should obtain your own legal advice and professional advice as required.

A record of the advice which is provided will be recorded on the Planning Inspectorate website together with the name of the person or organisation who asked for the advice. The privacy of any other personal information will be protected in accordance with our Information Charter which you should view before sending information to the Planning Inspectorate.
