Dear Sir/Madam

Further to the attached letter, East Riding of Yorkshire Council are content Able UK has fulfilled its requirements in relation to the relevant 'Duty to Consult' regulations, based on the the consultation report submitted by Able UK. This report states that Able UK have consulted the relevant landowners and Parish Councils, and has met Paull Parish Council. This in line with advice that East Riding of Yorkshire Council has given Able UK previously.

These comments are made without prejudice to future comments the Council may raise on the proposal through its Local Impact Report.

Darren Hendley

Team Leader - Strategic Development Control
East Riding of Yorkshire Council
