Subject: RE: Proposed Able Marine Energy Park - IPC ref. TR030001 - Adequacy of Consultation Response Request

Dear Sir/Madam,

Thank you for e-mail regarding the adequacy of the pre-application consultation for the proposed Able Marine Energy Park. I acknowledge that the pre-application consultation appeared to comply with sections 42 and 43 of the 2008 Act. Indeed, West Lindsey DC received a considerable amount of information and invitations to briefings and consultation events. However, whilst I note that consultation with parish councils within North Lincolnshire was extensive, it does appear that the relevant parishes within West Lindsey were missed, such as Keelby Parish Council.

This is the only comment we have to make at this stage.

Yours faithfully
