Dear Mr Harris

Planning Act 2008 (PA 2008) Section 55 (Acceptance of Application)

Proposed application for a Development Consent Order for the Able Marine Energy Park, by Able Humber Ports Ltd.

Thank you for your letter dated 19th December 2011 requesting comments in respect of the above. I have the following comments to make.

From a strategic planning perspective it is considered that the applicant has complied with their duties to consult and publicise at pre-application stage and as such Nottinghamshire County Council would not wish to raise any issues at this stage.

Please keep me informed for future development stages in relation to the above proposal.

Yours faithfully, Nina Wilson Principal Planning Officer For Team Manager Minerals, Waste and Spatial Planning
