Dear Sir/Madam

APPLICATION FOR THE PROPOSED ABLE MARINE ENERGY PARK (TR030001)

AMENDMENT TO EXAMINATION TIMETABLE MADE IN ACCORDANCE WITH RULE 8(3) OF THE INFRASTRUCTURE PLANNING (EXAMINATION PROCEDURE) RULES 2010

I am writing to inform you of a procedural decision made in respect of the timetable for the examination of the Able Marine Energy Park project.

The examination timetable included with our letter of 31 May 2012 set deadlines of Friday 27 July for the submission of comments on Written Representations and responses to comments on Relevant Representations; and Tuesday 7 August 2012 as the date by which the Examining Authority's second round of written questions would be issued.

We have decided to amend these deadlines in order to allow more time for participants to adequately consider and respond to the Written Representations submitted, and to ensure that we then have sufficient time to consider these prior to issuing our second round of written questions.

Accordingly, the revised deadlines for submission of comments on Written Representations and responses to comments on Relevant Representations will now be **Friday 3 August 2012** and the issue of the Examining Authority's second round of written questions will be **Friday 10 August 2012**.

Yours faithfully

Robert Upton
