Dear Sir/Madam,

APPLICATION FOR THE PROPOSED MARINE ENERGY PARK (TR030001)

**VARIATION TO THE EXAMINATION TIMETABLE MADE IN ACCORDANCE WITH
RULE 8(3) OF THE INFRASTRUCTURE PLANNING (EXAMINATION PROCEDURE)
RULES 2010**

I am writing to inform you of a procedural decision that the Examining Authority has made about the timetable for the examination of the Able Marine Energy Park project.

The Panel's letter of 10 July amended the original examination timetable to change the revised deadlines for submission of comments on Written Representations and responses to comments on Relevant Representations to Friday 3 August 2012 and the issue of the Examining Authority's second round of written questions to Friday 10 August 2012.

There have been a significant number of comments on relevant representations and written representations. The Panel considers that it needs more time to study these before issuing its second round questions.

Accordingly the Panel is now changing the date on which it will issue its second round questions to **Friday 17 August**. In consequence the Panel is now making the deadline for answers to these questions **Friday 7 September** and the deadline for comments on these answers **Friday 12 October**.

Yours faithfully

Robert Upton
