Dear Sirs

**Able Marine Energy Park - Planning Inspectorate Ref: TR030001**  
**The RSPB - Registration Identification Ref: 10015550**

In relation to the submission due today on the latest draft of the DCO, the RSPB's concerns do not go to the structure or the content of the draft DCO or Marine Licence but rather to the EMMPs and legal agreement under it and therefore we are not making any comments on the draft DCO or the Marine Licence but will be commenting on the above mentioned documents along with the other new documents in our 9 November 2012 submission.

Yours faithfully

Rosie Sutherland  
Legal Adviser
