Mr Brian Greenwood  
Associated British Ports  
**By email only**

Our Ref: TR030001

Date: 02 November 2012

---

Dear Mr Greenwood

**APPLICATION FOR DEVELOPMENT CONSENT BY ABLE HUMBER PORTS LTD FOR THE PROPOSED ABLE MARINE ENERGY PARK**

**THE INFRASTRUCTURE PLANNING (EXAMINATION PROCEDURE) RULES 2010 – RULE 17 FURTHER INFORMATION**

The Examining Authority wishes to ask you for further information under Rule 17 of the Infrastructure Planning (Examination Procedure) Rules 2010.

*For Associated British Ports*

Paragraph 4.27 of the [Applicant's comments on the answers to the second set of Examiner's](#) questions states that -

"Whilst ABP contend that the terrestrial fields that they wish to develop for the Western Deepwater Jetty is land that is part of its statutory undertaking, it is noted that the area lies outside of the existing harbour authority area for the Port of Immingham".

Will ABP confirm whether this is the case?

The Panel would be grateful to receive this information **by 12 November 2012**.

Yours faithfully

*Robert Upton*

**Lead member of the Panel of Examining Inspectors**

Advice may be given about applying for an order granting development consent or making representations about an application (or a proposed application). This communication does not however constitute legal advice upon which you can rely and you should obtain your own legal advice and professional advice as required.

A record of the advice which is provided will be recorded on the Planning Inspectorate website together with the name of the person or organisation who asked for the advice. The privacy of any other personal information will be protected in accordance with our Information Charter which you should view before sending information to the Planning Inspectorate.
