On the 18 December 2013, the Secretary of State (SoS) for the Department of Transport (DfT) granted development consent for the Able Marine Energy Park Development Consent Order (DCO), that came into force 29 October 2014.

We, are writing to you and/or your organisation as a potential consultee with interest regarding the Able Marine Energy Park project.

In October 2023, Able Humber Ports Limited ('the Applicant') made an application to the Secretary of State for Transport for the power to grant an extension to the Able Marine Energy Park DCO. The SoS invites any comments on the above response made by the Applicant to be submitted by **23:59PM, Wednesday, 14 August 2024**.

Should you wish to make any comments regarding this matter, this can be made via the 'Have your say' tab on the project page or by email submission to the email address above.
