Dear Sir

THE PLANNING ACT 2008 (AS AMENDED) - APPLICATION FOR YORK POTASH LIMITED FOR AN ORDER GRANTING DEVELOPMENT CONSENT FOR THE YORK POTASH HARBOUR FACILITIES DOCUMENTATION RESPONSE TO DEADLINE 5

Further to the procedural decision set out in the Examining Authority's letter of 16 October 2015, please find enclosed the following documentation in response to Deadline 5:-

1. The Applicant's responses to other parties' responses to the Examining Authority's Second Questions (Documents 8.7) including the following appendices:
 - 1.1 Appendix 1 - Revised Schedule 9 to the draft DCO being updated protective provisions for the protection of the pipeline corridor and protected crossings; and
 - 1.2 Appendix 2 - Revised Schedule 10 to the draft DCO being updated protective provisions for the protection of assets bridged/oversailed.
2. An updated Hierarchy Diagram as requested in 2Q DCO 2.8; and
3. An updated document list reflecting appropriate additions (Document 1.4E). The changes to the document list are shown as track changes.

The Applicant's land referencing agents have advised that there are a number of changes ongoing at this time in relation to land interests, which is perhaps unsurprising due to current circumstances in the area. For example, the Breagh pipeline is now owned by DEA UK SNS Limited. It is therefore noted that some of the details in the Book of Reference have changed since the submission of the application. The Applicant intends therefore to submit an updated Book of Reference for Deadline 6 (16 November 2015).

Yours sincerely
