The York Potash Harbour Facilities Order 201X

APPLICANT'S RESPONSE TO RELEVANT REPRESENTATIONS

Introduction

Following the acceptance of the York Potash Harbour DCO application by the Secretary of State, interested parties were invited to register and make representations (Relevant Representations). Where the Applicant wishes to respond to the issues raised, this report sets out that response.

Rep No.	Identity	Response
1	Trinity House	Please see the Applicant's response to question DCO1.4 (Document 8.2) – the Applicant has sought clarification from Trinity House as to whether there are any further comments on the application or the draft DCO, having already amended the DCO pursuant to the section 42 consultation response. The Applicant cannot make any further comment without understanding whether there are any outstanding issues.
2	PD Teesport	Please refer to the Applicant's response to questions DCO 1.4 and DCO 1.12 (Document 8.2).
3	Maritime and Coastguard Agency	Please refer to the Applicant's response to question DCO 1.4 (Document 8.2). The Applicant considers that the protective provisions

		in the draft DCO adequately address the points raised by the Maritime and Coastguard Agency.
4	SABIC UK Petrochemicals Limited	Please refer to the Applicant's response to question DCO 1.12 (Document 8.2).
5	Hunstman Polyurethanes UK Limited	Please refer to the Applicant's response to question DCO 1.12 (Document 8.2).
6	Northern Powergrid (Northeast) Limited	As confirmed in the Applicant's response to question CA 1.4 (Document 8.2), Northern PowerGrid has indicated to the Applicant that they do not believe they have any operational assets that will be prejudicially affected by the development. The Applicant is pressing Northern PowerGrid for confirmation of this.
8	National Grid Electricity Transmission Plc (NGET)	Please refer to the Applicant's response to question DCO 1.12 (Document 8.2).
13	Natural England	The Applicant has had ongoing discussions with Natural England both pre and post submission. Please refer to the Statement of Common Ground with Natural England (Document 9.3). Please also refer to the Applicant's responses to questions DCO 1.14, HWF 1.9, Ec 1.10, HRA 1.10, HRA 1.11, HRA 1.20 and HRA 1.21 (Document 8.2).
15	Marine Management Organisation	Since the submission of the Relevant Representation, the Applicant has met with the MMO and agreed in principle some amendments to the

		draft Order and Deemed Marine Licence. These amendments will be contained in the next draft DCO to be submitted for Deadline 2 (Please see the Applicant's response to questions DCO 1.3, DCO 1.4, PAR 1.6 and HWF 1.6 (Document 8.2)).
16	DEA UK SNS Limited and Sterling Resources (UK) plc (Breagh)	Please refer to the Applicant's response to question DCO 1.12 (Document 8.2).
17	Environment Agency	Please refer to the Applicant's response to questions HWF 1.1, HWF 1.2, HWF, 1.3, HWF 1.10, HWF 1.11, Ec 1.1, Ec 1.2, Ec 1.10, HRA 1.11 and WFD 1.5 (Document 8.2). Please also refer to the Statement of Common Ground with The Environment Agency (Document 9.4).
18	Redcar and Cleveland Borough Council	Please refer to the Applicant's response to question PAR 1.2 (Document 8.2).
19	TATA Steel UK Limited	Please refer to the Applicant's responses to questions DCO 1.12 and TT 1.6 (Document 8.2).

Late Representations

There were some late representations submitted to and accepted by the Examining Authority. Where the Applicant wishes to respond to those representations, this report provides that response.

Identity	Response
Northumbrian Water Limited	Please refer to the Applicant's response to question CA 1.4 (Document 8.2).
Network Rail Infrastructure Limited	Please refer to the Applicant's response to questions DCO) 1.12 and TT 1.6 (Document 8.2).
G Christie	The Applicant believes that all the areas of concern identified by Ms Christie have been appropriately assessed in the Environmental Statement (Document 6.4).
