Dear Mr Ranger

Notification for the proposed application by Port of Tilbury London Limited for an Order Granting Development Consent for the proposed Tilbury 2.

I write in response to your letter dated 1st November 2017 concerning the consultation undertaken for the above project.

The Borough considers that the developer has complied in relation to the application with respect to its duties to consult.

The Council would like to register a request to continue to be consulted in the future as the DCO process progresses to allow the opportunity for further assessment of these potential impacts.

Yours sincerely

Mr R Lancaster
Head of Development Management
