Port of Tilbury
Terminal 2 team manager

I was not around during the time you sent your letter. I went away to Africa [REDACTED]
[REDACTED]
I have been up and down to Africa and my mind hasn't really been settled at all.

I have gone through all your letters and I support the project but if it will affect my property that is a problem. I will say no to it, because Tilbury has land that you can make good use of.
You have to do what is right not to inconvenience the community. Please do not put gain first, think of community.

Thanks.
Mrs. A brown.
