---

Dear Sirs,

Further to our letter above, I am just writing to confirm that Cadent will not be attending the CA hearing this Friday as they are making good progress in negotiations with the Promoter.

However these negotiations are not concluded and until they are, Cadent would like to reserve their position to attend the future CA or Issues Specific Hearings referred to in our letter above.

Kind regards

**Abigail Walters**

20<sup>th</sup> March 2018

Dear Sir/Madam

**Application by Port of Tilbury London Limited for Order Granting Development Consent for the Tilbury 2 Project**

We act for Cadent Gas Limited, who have made a relevant representation in respect of the above application. We now enclose their Written Representation.

Unless my client's objection is resolved by the Promoter, my client will require an appearance at a compulsory acquisition hearing and we would imagine that the later date of 27<sup>th</sup> June 2018 would be most appropriate, in order to allow the promoter to make further progress in seeking to agree protective provisions with my client. As it is not currently clear whether this hearing will go ahead, we also reserve the right to attend the hearing scheduled for the 20<sup>th</sup> April 2018. Our client would also like to reserve the right to attend the Issue Specific Hearing on the drafting of the DCO on 28<sup>th</sup> June 2018.

As per our earlier e-mail. Cadent Gas Limited are a statutory Party and wish to be classified as an interested party in these proceedings.

Finally, we have agreed a Statement of Common Ground with the Promoter, which we understand they will be submitting directly to you.

Yours faithfully

**Shakespeare Martineau**
