Dear Roger,

Please can I render my sincere apologies for the late response to this request. Unfortunately, the response was not sent within your required timescale.

You will see below my email response to Christopher Johnson at the Port of Tilbury when I realised the mistake, and Christopher's request to send it direct to you.

Again, my apologies and I would like to reassure you that anything relating to the Planning Inspectorate is considered high priority.

Kind regards

Helen

Dear Christopher,

Firstly, my sincere apologies as I have just found this response in my outbox as 'unsent', so for whatever reason was not sent within your timescale. My apologies for any inconvenience caused.

Thank you very much for your email regarding the Tilbury2 first written questions, two of which are addressed to the MCA. I would like to advise as follows:

- a. *Please can you supply a copy of the Port Marine Safety Code (PMSC) to the Examination as a web-link or as a PDF?*

A copy of the Port Marine Safety Code and its supporting Guide to Good Practice can be found at the following link on our website:

<https://www.gov.uk/government/publications/port-marine-safety-code>

- b. *Please can the MCA provide a copy of the BSI publication on Road Lighting, BS5489, part 8, discussed in their RR, which relates to a code of practice for lighting which may affect the safe use of places including harbours?*

This is not an MCA document which we publish, and therefore we do not keep an updated copy internally. Our response was to make developers aware of its existence and to point them in the direction of the British Standards Institute to obtain a copy themselves:

[pid=000000000030296174&_ga=2.147800759.1600747971.1525792731-1620964802.1525792731](https://shop.bsigroup.com/ProductDetail/?pid=000000000030296174&_ga=2.147800759.1600747971.1525792731-1620964802.1525792731)

I hope this is satisfactory for now, and please let me know if you require any further information.

Kind regards

Helen

Subject: Tilbury2 DCO application

Dear David,

Following our discussion earlier, could you please ensure this is forwarded to the correct person.

Port of Tilbury London Limited (PoTLL or the Applicant) is currently participating in an examination on its application for a Development Consent Order to expand its operations with a new port facility: Tilbury2

(<https://infrastructure.planninginspectorate.gov.uk/projects/south-east/tilbury2/>).

As part of the examination, the Panel, which is made up of three Planning Inspectors, have released their First Written Questions (FWQs) (https://infrastructure.planninginspectorate.gov.uk/wp-content/ipc/uploads/projects/TR030003/TR030003-000578-TIL2_First_Written_Questions.pdf). PoTLL would like to highlight that the Panel has asked two questions to the MCA (1.9.18 and 1.9.20). The deadlines for the examination have been released in the Rule 8 letter (<https://infrastructure.planninginspectorate.gov.uk/wp-content/ipc/uploads/projects/TR030003/TR030003-000564-TIL2%20-%20Final%20Rule%208.pdf>) and the first deadline is 20/03/18, which is the deadline for responses to the FWQs.

Thank you for your time

Kind regards,

Christopher
