Dear Mr Ranger,

Planning Act 2008

Draft Port of Tilbury (Expansion) Order "Tilbury2"

Deadline 4 submission

Further to the Examining Authority's letter of 26 February 2018 issued pursuant to Rule 8 of the Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) (the Rule 8 Letter), please find enclosed with this letter Port of Tilbury London Ltd's (PoTLL) submissions for Deadline 4.

1. Submission documents

1.1 The following documents are included in this submission:

Document Title	Document Reference	Comments
Updated Statement of Reasons Appendix F (Land Negotiations Tracker)	PoTLL/T2/EX/98	Updated to take account of discussions with stakeholders. Submitted as requested by the Examining Authority in its First Written Questions.
Habitats Regulations Assessment Report	PoTLL/T2/EX/99	As requested by the Examining Authority at the April hearings. The front end of this submission is presented in clean version only as there have been a number of changes, including moving forward to a Stage 2 assessment, such that a track changed version would be overly confusing to read. However, both clean and tracked changes versions of the screening and integrity matrices, which also form part of this document, are included within the submission.
Updated Highways England SoCG	PoTLL/T2/EX/100	To reflect the latest position with Highways England, and as anticipated by PoTLL's letter of 17 May 2018.
