Dear Sir/Madam

Application by Port of Tilbury London Limited for Order Granting Development Consent for the Tilbury 2 Project

We act for National Grid Electricity Transmission Plc (NGET), who have made a Written Representation setting out the concerns the NGET have in relation to access issues arising from the Tilbury 2 Project, amongst other issues.

NGET have now agreed all issues in principle with the Promoter, which go to the wording of the dDCO. The parties are now documenting the agreement reached between them. In light of the level of agreement now reached, it will not be necessary for NGET to attend the Issue Specific Hearing on the 28th June. Please can you withdraw NGET's name from the list of attendees.

Yours faithfully

Shakespeare Martineau
