Dear Sirs

Application by Port of Tilbury London Limited ("PoTLL") for a Development Consent Order for Tilbury2

We act for Diana Finnis (née Cole), James Cole and CH Cole & Sons Mill House, parties affected by the proposed DCO for Tilbury2; and do so in their position as landowners and holders of rights of common over land affected by the proposals.

We are writing to advise you that agreement has been reached between PoTLL and the above parties on terms for the acquisition and leasing of land sought to be compulsorily acquired (plots 03/08 and 03/11) and temporarily possessed (plot 03/07) respectively pursuant to the draft DCO submitted on 31 October 2017.

Further to this agreement, I can confirm that the above parties have no objection to PoTLL's compulsory acquisition and temporary possession proposals for these plots; and that any objection or other representation that is considered by the Examining Authority to have been previously made by any of the above parties in respect of these matters can be considered to be withdrawn.

If you have any further queries please do not hesitate to contact the writer.

Yours faithfully
