**Subject:** Application by Able Humber Ports Ltd for a Material Change to the Able Marine Energy Park Development Consent Order 2014

Dear Sir/Madam

I am writing to request that Associated British Ports as the commercial operator of the Port of Immingham is included as an Interested Party in the examination process of the application by Able Humber Ports Ltd for a Material Change to the Able Marine Energy Park Development Consent Order 2014.

We are aware that ABP is already represented as the statutory harbour authority for the Humber Estuary, which is a completely separate and distinct statutory entity from our individual operations on the Humber Estuary, of which there are four at Grimsby, Immingham, Hull and Goole.

Whilst we will probably not need to attend the preliminary Meeting on 16 November we would like to be kept informed of proceedings and to have a right to submit representations in due course.

Kind Regards

Nicola Robinson
