Dear Sir/ Madam

Planning Act 2008 (as amended) and the Infrastructure Planning (Changes to, and Revocation of, Development Consent Orders) Regulations 2011 – Regulation 29 and 30 (3)

Application by Able Humber Ports Ltd for a Material Change to the Able Marine Energy Park Development Consent Order 2014

Notification of Procedural Decision, and amendment to Examination Timetable

After the close of the Preliminary Meeting, the Applicant informed the Planning Inspectorate that in addition to the plans announced at the Preliminary Meeting, it had noticed that other superseded versions of plans and documents had been inadvertently published.

These are:

APP-007 Indicative Masterplan
APP-010 Indicative Landscape Masterplan
APP-013 Building Key Plan
APP-015 Maximum Building Dimensions
APP-018 Footpath No. 50 Diversion Section Locations

APP-021 Surface Water Pumping Station Indicative Layout
APP-022 Surface Water Pumping Station Indicative Elevation
APP-023 Cherry Cobb Sands Compensation Site General Arrangement
APP-024 Cherry Cobb Sands Compensation Site Detail and Section
APP-051 Rights of Way - Key Plan
APP-052 Rights of Way Plan (Sheet 5 of 12) (Revision 1)
APP-055 Works Plan (Sheet 8) (Revision 5)
APP-056 Works Plan (Sheet 9) (Revision 5)

APP-062 - Preliminary Environmental Information Report - Volume 1: Main Report
APP-063 - Preliminary Environmental Information Report - Volume 2: Technical Appendices
APP-064 - Preliminary Environmental Information Report - Volume 3: Non-Technical Summary
APP-065 - Preliminary Environmental Information - Habitats Regulations Assessment Report - Part 1: Likely Significant Effect (LSE) Test
APP-066 - Preliminary Environmental Information - Habitats Regulations Assessment Report - Part 2: Information to Inform an Appropriate Assessment

These plans and documents have now been removed and the Examination Library updated.

I have made a procedural decision that all Interested Parties have until Deadline 2 (6 January 2022) to comment on the submitted plans in case any confusion was caused by the Planning Inspectorate inadvertently publishing and subsequently withdrawing earlier (superseded) versions of the plans and documents.

Yours faithfully

Alan Novitzky
