Dear Mrs Robbins

APPLICATION REFERENCE NO: 146295

PROPOSAL: PINS consultation on Section 55 on adequacy of consultation request for application for an Order Granting Development Consent - Immingham Eastern Ro-Ro Terminal

LOCATION: Immingham Eastern Ro-Ro-Terminal

RE: Adequacy of Consultation Request

Thank you for the letter dated 13th February 2023 alerting us to the submission of the application for the Immingham Eastern Ro-Ro Terminal and allowing us the opportunity to comment on the pre-application stage and its compliance with section 42, 47 and 48 of the Planning Act 2008 (as amended).

As the allocated case officer from West Lindsey I have been involved in the pre-application stage of the Immingham Eastern Ro-Ro Terminal including the completion of a Scoping Opinion. I have been responded to various letters from the Planning Inspectorate and the Immingham Eastern Ro-Ro Terminal Project Team. I have in addition read through the Consultation Report dated February 2022 and it is considered that the applicant has complied with the relevant sections of the Planning Act 2008 (as amended) in their duty to consult ourselves, the community and publicise.

Yours Sincerely

Ian Elliott
Senior Development Management Officer
On behalf of West Lindsey District Council
