IMMINGHAM EASTERN RO-RO TERMINAL DEVELOPMENT, NORTH EAST LINCOLNSHIRE

Further to the notification of 09 March 2023 from the Immingham Eastern Ro-Ro Project Team seeking the views of the Coal Authority on the above, I have checked the site location plan against our coal mining information and can confirm that, whilst the proposed development site falls within the coalfield, it is located outside the Development High Risk Area as defined by the Coal Authority.

On this basis, the Planning team at the Coal Authority have no comments to make.

Please do not hesitate to contact us if you would like to discuss this matter further.

Yours faithfully,

The Coal Authority Planning Team
