Dear Mr Gould

**Immingham Eastern Ro-Ro Terminal (IERRT) TR030007**

**Deadline 3 Submission by CLdN (Unique Reference Number: 20037327)**

We act for CLdN Ports Killingholme Limited (Company Registration Number 00278815) of 130 Shaftesbury Avenue, 2nd Floor, London, W1D 5EU (**CLdN**).

This is the Deadline 3 submission on behalf of CLdN in accordance with the Examination timetable, which includes for receipt by the Examining Authority of:

- comments on Written Representations;
- comments on responses to the Examining Authority's First Written Questions;
- comments on any submissions received at Deadline 2; and
- any further information requested by the Examining Authority under Rule 17 of The Infrastructure Planning (Examination Procedure) Rules 2010.

CLdN's comments on all of the above are contained within the enclosed single submission, entitled '*CLdN Ports Killingholme Limited – Response to Deadline 2 Submissions*'.

**Attendance at Hearings during w/c 25 September 2023**

In addition, CLdN (and its representatives) will attend in person and wishes to participate orally in Issue Specific Hearing 3 (**ISH3**) on 27-28 September 2023 concerning, amongst other matters:

- Navigation and Shipping (including any implications for the operation of the existing Port of Killingholme);
- Onshore Transportation;
- Marine Ecology; and
- Policy considerations.

We have been in correspondence with the Case Officer for this application with regard to the outline matters for ISH3 noted above and the detailed agendas to follow. In particular, we have noted that 'need' is not specified as a topic for these hearings in the Rules 13 and 16 Notification Letter from the Examining Authority dated 29 August 2023. By emails to the IERRT case team dated 31 August 2023 and 6 September 2023, we have sought clarification of whether 'need' will form part of the 'policy considerations' topic in the detailed agenda. We await confirmation on this point at the ExA's earliest opportunity.

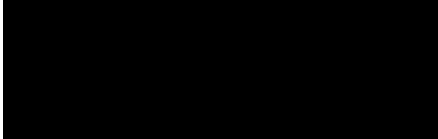

CLdN (and its representatives) will also attend in person and wish to participate orally in Issue Specific Hearing 4 (**ISH4**) (Draft Development Consent Order) on 28 September 2023.

We will provide details of the agenda items CLdN and its representatives intend to speak on and the documents CLdN may wish to refer to on receipt of the detailed agenda for each of ISH3 and ISH4 and the clarification referred to above.

We look forward to receipt of the detailed agendas for ISH3 and ISH4 as soon as possible.

Yours sincerely
