No powers of compulsory acquisition of land or rights or temporary possession or use of land are sought. In October 2023 Gateley Hamer sent a Section 56 notification of acceptance to the Affected Party. The Applicant holds a leasehold interest over this land and in November 2023 received verbal consent from the Affected Party's agent to construct and operate the Project. Following this, the Affected Party's agent confirmed consent via an email. In February 2024 written consent to construct and operate the Project under the Applicants' leasehold was obtained from the Affected Party via a letter. The Applicant has requested section 135 consent from the Affected Party. The Affected Party has instructed solicitors to review the draft DCO but they have correctly noted that ordinarily they tend to review these towards the end of an Examination, with a view to issuing the consent at the end of or, indeed, after the Examination. The Applicant will update the Examination as appropriate.	03/06/2024
