Dear Madam

**Planning Act 2008 and the Infrastructure Planning (Examination Procedure) Rules 2010**

**Application by Associated British Ports ("the Applicant") seeking Development Consent for the Proposed Immingham Green Energy Terminal Project ("the Proposed Development")**

Thank you for your letter of 21 November 2024 concerning the above project.

I have reviewed the Applicant's letter to you, dated 14 November 2024. I can confirm that the summary included in section 3 accurately reflects the negotiations and agreements reached since the close of the Development Consent Order Examination.

We are continuing to liaise with the Applicant to finalise the details of the legal agreement to secure the future maintenance of the flood defence that would be oversailed by the proposed jetty. We will advise you as soon as this matter is concluded and we can withdraw our objection to the application.

Should you require any additional information, or wish to discuss these matters further, please do not hesitate to contact me at the number below.

Yours faithfully

**Annette Hewitson**  
**Principal Planning Adviser, MSc, MRTPI**
