Dear Mr. Moulds,

Application for a Development Consent Order for the proposed North Doncaster Rail Chord, Near Shaftholme, North of Doncaster

Thank you for your letter of 6 July 2011 setting out your views on the above proposal. Your views have been noted.

I note that you have read the advice issued in correspondence to Cllr Jones and Mr Spoor. I would therefore like to reiterate the advice therein and remind you that if the application is accepted for examination, the landowners you represent will have an opportunity to make their views on the key issues known to the IPC. The deadline for these submissions will be set by Network Rail and publicised in the local press.

For further information on how to get involved, please visit the 'Legislation and advice' section of the IPC website, where you can view 'Advice note 8' which provides information on the process.

If you have any further queries, please do not hesitate to contact us at the address or email provided.

Yours sincerely,

The IPC gives advice about applying for an order granting development consent or making representations about an application (or a proposed application). The IPC takes care to ensure that the advice we provide is accurate. This correspondence does not however constitute legal advice upon which you can rely and you should note that IPC lawyers are not covered by the compulsory professional indemnity insurance scheme. You should obtain your own legal advice and professional advice as required.

We are required by law to publish on our website a record of the advice we provide and to record on our website the name of the person or organisation who asked for the advice. We will however protect the privacy of any other personal information which you choose to share with us and we will not hold the information any longer than is necessary.

You should note that we have a Policy Commitment to Openness and Transparency and you should not provide us with confidential or commercial information which you do not wish to be put in the public domain.
