Dear Sir,

Members of Moss Road (Askern) T.A.R.A. have concerns about the extra rail traffic coming through on the Askern railway line. Traffic is being held up 15-30 minutes backing up onto the A19. When the rail barriers are down the Emergency Services cannot get to the Moss Road area and people cannot get to their Doctors appointments. The service buses are also held up which is a problem when we have to get 2 buses if we have a Hospital appointment.

Yours faithfully,
