Subject: Proposed Portishead Branch Line (MetroWest Phase 1) Order R.DIV.20.05983 [SHDemail.ID000258488]

Dear Sirs,

Further to your correspondence address to Virgin Media regarding this matter, my department has been asked to investigate the works.

We have logged the DCO under reference R.DIV.20.05983.

As part of our investigations we contacted the Virgin Media Plant Enquiries Team, who have provided the attached results.

Virgin Media and Viatel plant should not be affected by your some of your proposed work and no strategic additions to our existing network are envisaged in the immediate future.

You will be aware that you have a duty to ensure that no damage results to any affected equipment as a result of your proposed works. Please note that this apparatus may contain Fibre Optic, Coaxial and/or 240v Power Cables and as such, special care must be taken when excavating this area.

Should you require Virgin Media apparatus to be diverted we must agree a specification of works and provide a detailed estimate of costs. This can be provided by our Diversionary Works Team. The details of how to contact them are on the attached letters from the Plant Enquiries Department.

The Rights of Access Team will now close our file of papers on this matter. Should you have any further questions or queries please contact the Diversionary Works Team directly.

Kind Regards,

Alice Pearson GCILEx

Plant Enquiry Ref: VM.1169302
Letter Date 10.08.2020
Your Ref: NA
Date: 11.08.2020

Dear Sir/Madam,

Enquiry Location: [REDACTED]

Thank you for your enquiry regarding work at the above location.
I enclose a copy of our above referenced drawing, marked to show the approximate position of plant owned and operated by Virgin Media.

You will be aware that you have a duty to ensure that no damage results to this equipment as a result of your proposed works. Please note that this apparatus may contain Fibre Optic, Coaxial and/or 240v Power Cables and as such, special care must be taken when excavating this area.

Should you require Virgin Media apparatus to be diverted we must agree a specification of works and provide a detailed estimate of costs. The costs are £720 (Business) or £240 (Residential) Inc VAT and the charge applies to each individual scheme requested. Both the estimate and specification will be sent to you within 25 working days of when the payment was received.

This initial payment will cover the following: -

- Detailed site visit by an experienced planning engineer.(Up to 10 hours planning time)
- Detailed specification of works.
- Detailed breakdown of costs.

Payment is required in advance for the estimated cost of detailed design work and the charge applies whether or not your works proceed. Please supply us with your payment and a copy of your plans or drawings and quote 'Our Ref' as above.

The address to send the cheque is:

Diversiory Works, Virgin Media, 1 Dove Wynd, Strathclyde Business Park Bellshill ML4 3AL

Or if you prefer to talk, please call the Diversiory Team on: 0800 408 0088 Option 1

Should your request be in relation to a Residential New Development, Virgin Media would like the opportunity to assist with your diversiory quote and serve your site free of charge, offering your customers the fastest widely available broadband speeds on the market up to 500Mbps.

For Commercial New Developments our team can also be reached through the below link, ensuring future businesses to your site are connected to our fibre network.

Simply head over to www.virginmedia.com/developer to fill in the enquiry form, and a member of our New Developments team will be in touch within 48 hours.

You will also find useful information about additional benefits to you and your site, plus a handy 'developers guide' can be downloaded with detailed installation requirements.

Or if you prefer to talk, please call the Diversiory Team on: 0800 408 0088 Option 2

Yours faithfully

National Plant Enquiries Team,

Alice Pearson
